**YES!** I'd love to be a member of the RAL VIP Club and receive a monthly 20% off coupon FOR LIFE AND FOR FREE, as long as I remain a club member. PLUS, I get the first opportunity to purchase products before they are sold to the public! If I did not check this box, then please ONLY use my email for order processing.

(We will never, ever give your email address to anyone else. We know that this creates bad feelings and we only wish to update you on products and generous offers. You can remove yourself from the VIP Club at any time, for any reason, immediately and without hassle, but we think you're going to love hearing from us once in a while!)

How would you like to see *YOUR old lipsticks die on lipstickgraveyard.com*?  I'll let the RAL team choose!  
 ex: firing squad, fire breathing dragon, walk the plank...
